

Following is a list of our colleagues who volunteered to review the manuscripts received by **Geopersia** during the past 12 months. I appreciate the positive actions that you have taken to participate in reviewing the manuscripts and implementing our recommendations to get the second volume published. We certainly would not be able to continue without your support and I wish to acknowledge your continued support for the coming issues and look forward to our joint continuing work in the future.

*Dr. Ebrahim Ghasemi-Nejad (Editor in Chief of Geopersia).*
